RoHS: The European Union of 2002/95/EC Restriction of Hazardous Substances (RoHS) Directive, which applies to all electrical products and their component parts, offered for sale into the European Union after 1st July 2006, restricts the presence of the six substances: Lead (Pb), Cadmium (Cd), Mercury (Hg), Hexavalent Chromium (Cr⁶⁺), Polybrominated biphenylethers (PBBs), and Polybrominated diphenylethers (PBDEs). In addition, we require all our direct suppliers to strictly limit or prohibit use of hazardous substances. All its AVL (Approved Vendors List) components apply for RoHS.
